SPECIFICATIONS (CONT'D)

SPECIFICATION SHEET: Shown below are the specifications requirements for equipment that the Ohio Department of Public Safety desires to purchase. Bidder signifies compliance or non-compliance with the specifications by indicating "YES" or "NO" in the Y/N column of this form and returning with the bid response. These specifications are only considered as necessary to establish functional requirements. Proprietary design, exact dimensions, capacities, or restrictive features will not preclude acceptance of other recognized alternates meeting comparable performance requirements as determined by the Department of Administrative Services. List all deviations/exceptions to the specifications in the bid response in the "SPECIFY" column, if additional space is needed, please use a separate sheet to reference this information with the corresponding line number. Failure to comply may deem the bid non responsive.
