

REQUEST FOR QUOTE

Questions & Answers

ISSUED: 06/29/21

RFQ NUMBER: BWC220129

PROPOSAL DUE DATE: July 20, 2021, 2:00 P.M. ET

The Ohio Bureau of Workers' Compensation (BWC) is requesting quotes for:

Consulting Services to Perform a Mainframe Modernization Study

06/29/21

Q: Does BWC allow to meet the mandatory requirement with Sub vendor?

A: Yes.

Q: Does BWC allow awarded vendor to respond for Conversion project?

A: No.

Q: How many lines of COBOL code Vs. CA Gen, is there anything else?

A: Details for this question will be determined during analysis after contract is awarded.

Q: How many different environments (dev, test, acc, prod) and associated MIPS?

A: Four and details for this question will be determined during analysis after contract is awarded.

Q: What types of interfaces used? Not the number of interface connections, but the distinct, different types of interfaces. E.g.: FTP, TCP/IP connection, EDIFACT, MQ or Webservices?

A: Details for this question will be determined during analysis after contract is awarded.

Q: Is there a professional printing toolset in use? E.g. Xerox, LRS, or OCE?

A: Details for this question will be determined during analysis after contract is awarded.

Q: What is the front-end user interface? E.g.: terminal emulator or homegrown front-end?

A: See Supplement 2 in RFQ.

Q: How many end users?

A: Depends on application and can range between 5 and 125 users.

Q: How many developers?

A: Approximately 14.

Q: What test tools are used and what test cases/scripts (full regression) are available?

A: Details for this question will be determined during analysis after contract is awarded.
