ATTACHMENT TWO: REQUIREMENTS FOR PROPOSALS

PROPOSAL FORMAT. Each Proposal must include sufficient data to allow the State to verify the total cost for the Project and all of the Offeror's claims of meeting the RFP's requirements. Each Proposal must respond to every request for information in this attachment whether the request requires a simple "yes" or "no" or requires a detailed explanation. Simply repeating the RFP's requirement and agreeing to comply will be an unacceptable response and may cause the Proposal to be rejected.

These instructions describe the required format for a responsive Proposal. The Offeror may include any additional information it believes is relevant. An identifiable tab sheet must precede each section of a Proposal, and each Proposal must follow the format outlined below. All pages, except pre-printed technical inserts, must be sequentially numbered. Any material deviation from the format outlined below may result in a rejection of the non-conforming Proposal.

Each Proposal must contain the following information, chronologically in order, as listed below:

3. Offeror Disclosure of Location of Services and Data
4. Signed Contracts
5. Offeror Profile and Prior Projects
