<u>THE DEPARTMENT OF ADMINISTRATIVE SERVICES, OFFICE OF PROCUREMENT SERVICES, IS SOLICITING BIDS FOR:</u> 46,000 lbs. MINIMUM GVWR CAB AND CHASSIS TRUCK			
Attached is page 7 to this Invitation to Bid. Remove the corresponding page from the existing bid and replace with the attached.			
As indicated herein, this addendum is issued to indicate a correction in wording and clarification for item specification #4 on page 7.			

The state of Ohio, Department of Natural Resources has a requirement for a 2010 or newer, class 8 cab and chassis meeting the following requirements. This truck will be used as an on road water truck and outfitted with an 18' long by 96" wide dovetail body and a 2,500 gallon water tank. The vehicle bid must meet the following requirements.

* Vehicle shall be the latest current model, complete with all standard equipment, unless otherwise specified. Any item which is standard equipment on the vehicle being bid, but not listed below, must not be removed from the vehicle. Manufacturer's disclaimers indicate changes in product specifications may occur during the model year and they reserve the right to do so without repercussion. All current mandatory Department of Transportation safety requirements are to be furnished, including seat belts and shoulder harness.
