

Addendum #1 for RLB-OIS-11-001

Ohio Department of Job and Family Services Office of Information Services

Issued: October 14, 2010

Reason for Addendum:

To clarify any possible confusion surrounding the working position title as listed in Section I of RLB-OIS-11-001 (Senior Client Server Systems Administrator) vs. STS vendor line item name and description.

Addendum:

Please note, the position being requested within this RLB, Senior Client Server Systems Administrator is considered as a working title, which may or may not match the vendor's STS line item name. Any Ohio certified MBE vendor, with a DAS-OIT approved STS, that meets the position requirements as specified in Section V and all other minimal requirements within the RLB, may qualify to respond to RLB-OIS-11-001 for consideration and potential award. The vendor must demonstrate within their proposal response, how their proposed candidate(s) fulfill the requirements of this position.

Revised RLB Due Date:

Due to this addendum, ODJFS-OIS has extended the RLB deadline from Wednesday, October 20, 2010 at 10:00 a.m. , to Friday, October 22, 2010 at 4:00 p.m. (EST), thus allowing extra days for vendor review and proposal preparation.
