The attached is an Amendment for the RFP listed above. Please use the replacement page(s) contained in the Amendment to replace the corresponding page(s) previously in the RFP.

Specifications and requirements that have been revised are surrounded by bolded triple asterisks and, when applicable, strikethrough.

offeror's Proposal is no longer in its interest. Alternatively, the State may allow offerors that have Proposals under active consideration to modify their Proposals in response to the amendment.

If the State allows offerors to modify their Proposals in response to an amendment, the State may limit the nature and scope of the modifications. Unless otherwise provided in the State's notice, offerors must make any modifications or withdrawals in writing and submit them to the State within five business days after the amendment is issued at the address and in the same manner required for the submission of the original Proposals. If this RFP provides for a negotiation phase, this submission procedure will not apply to changes negotiated during that phase. The State may reject any modification that is broader in scope than the State has authorized in the announcement of the amendment and treat it as a withdrawal of the offeror's Proposal.

Proposal Submittal. Each offeror must submit a technical section and a cost section as part of its total Proposal before the opening time on the Proposal due date. The offeror must submit the technical section as a separate package from the cost section of its Proposal, and each section must be submitted in its own separate, opaque package. The package with the technical section of the Proposal must be sealed and contain one originally signed technical section and six (6) copies of the technical section, and the package with the cost section also must be sealed and contain three (3) complete copies of the cost section of the Proposal. Further, the offeror must mark the outside of each package with either "JFS – Electronic Benefits Transfer RFP – Technical Proposal" or "RFP Electronic Benefits Transfer – Cost Summary," as appropriate.

Included in each sealed package, the offeror also must provide an electronic copy of everything contained within the package on CD-ROM in Microsoft Office, Microsoft Project, and Adobe Acrobat format, as appropriate. If there is a discrepancy between the hard copy and the electronic copy of the Proposal, the hard copy will control, and the State will base its evaluation of the offeror's Proposal on the hard copy.

Proposals are due no later than ~~4:00 a.m.~~ *****1:00 p.m.***** on the Proposal due date. Proposals submitted by email, fax, or other electronic means are not acceptable, and the State may reject them. Offerors must submit their Proposals to:

Department of Administrative Services
I.T. Procurement Services
Attn: Bid Room
4200 Surface Road
Columbus, Ohio 43228

The State may reject any Proposals or unsolicited modifications it receives after the deadline. An offeror that mails its Proposal must allow for adequate mailing time to ensure its timely receipt. Offerors also must allow for potential delays due to increased security. The Bid Room accepts packages between the hours of 7:30 A.M. to 5:00 P.M. Monday through Friday, excluding State Holidays. No deliveries will be accepted before or after these hours without prior arrangements. Offerors must allow sufficient time since the State may reject late Proposals regardless of the cause for the delay.

Each offeror must carefully review the requirements of this RFP and the contents of its Proposal. Once opened, Proposals cannot be altered or withdrawn, except as allowed by this RFP.

By submitting a Proposal, the offeror acknowledges it has read this RFP, understands it, and agrees to be bound by its requirements. The State is not responsible for the accuracy of any information regarding this RFP that was gathered through a source other than the inquiry process described in the RFP.

Revised Code Section 9.24 prohibits the State from awarding a contract to any entity against whom the Auditor of State has issued a finding for recovery (a "Finding"), if the Finding is unresolved at the time of the award. This also applies to renewals of contracts. By submitting a Proposal, the offeror warrants it is not subject to an unresolved Finding under Section 9.24 at the time of its submission. Additionally, the offeror warrants it will notify the Department of Administrative Services in writing immediately upon

ATTACHMENT THREE: REQUIREMENTS FOR PROPOSALS

Proposal Format. Each Proposal must include sufficient data to allow the State to verify the total cost for the Work and all of the offeror's claims of meeting the RFP's requirements. Each Proposal must respond to every request for information in this attachment, whether the request requires a simple "yes" or "no" or requires a detailed explanation. Simply repeating the RFP's requirement and agreeing to comply may be an unacceptable response and may cause the Proposal to be rejected.

These instructions describe the required format for a responsive Proposal. The offeror may include any additional information it believes is relevant. An identifiable tab sheet must precede each section of a Proposal, and each Proposal must follow the format outlined below. All pages, except pre-printed technical inserts, must be sequentially numbered. Any material deviation from the format outlined below may result in a rejection of the non-conforming Proposal.

Each Proposal must contain the following:

- Vendor Information Form (OBM-5657)
- Subcontractor Letters
- Offeror Certification Form
- Offeror Description
- Offeror Profile Summary Forms
- Proposed Solution for EBT and EPC Services
- Implementation Work Plans
- Project Management Plan
- Key Staff
- Staffing Plan
- ***Escalation Plan*****
- Assumptions
- Support Requirements
- Proof of Insurance
- Payment Address
- Legal Notice Address
- W-9 Form
- Declaration Regarding Terrorist Organizations
- Standard Affirmation and Disclosure Form (~~EO 2010-09s~~)***** (EO 2011-12K)*****
- Cost Summary (must be separately sealed)

- Dates of Experience. The offeror must complete this area with a beginning month and year and an ending month and year to show the length of time the offeror performed the work, not just the length of time the offeror was engaged by the reference.
- Description of the Related Service Provided. The State will not assume that, since the experience requirement is provided at the top of the page, all descriptions on that page relate to that requirement. The offeror must reiterate the experience being described, including the capacity in which the work was performed and the role of the offeror on the Work. It is the offeror's responsibility to customize the description to clearly substantiate the qualification.
- Description of how the related service shows the offeror's experience, capability, and capacity to develop the Deliverables and do the Work.

The offeror must list each work experience separately and completely every time it is referenced, regardless of whether it is on the same or different pages of the form.

Required Experience and Qualifications. The offeror must complete this section to demonstrate that it meets the requirements for experience. For each reference, the offeror must provide the information in the same manner as described under Mandatory Experience and Qualifications above.

THE OFFEROR MAY NOT USE THE EXPERIENCE OR QUALIFICATIONS OF A SUBCONTRACTOR TO MEET ANY OF THE ABOVE MANDATORY QUALIFICATIONS OR EXPERIENCE. THESE MUST BE FULFILLED EXCLUSIVELY THROUGH THE QUALIFICATIONS AND EXPERIENCE OF THE OFFEROR.

Proposed Solution for EBT and EPC Services. The offeror must describe in detail how its proposed solution meets the Requirements described in Attachment*****Supplement***** Two of the RFP. The offeror may not simply state that the proposed solution will meet or exceed the specified requirements. Instead, the offeror must provide a written narrative that demonstrates that the offeror understands the Requirements of this RFP and how the offeror's proposed solution meets each requirement.

All the specifications included in this RFP are minimum requirements. The offeror may propose features, and other innovative or alternative solutions in excess of the minimum requirements described in the RFP, but must clearly identify them as such, provide the rationale behind the recommendations, and explain how they will benefit the State. Any proposed alternative solution must minimally meet the RFP requirements. The recommendations may or may not result in additional evaluation credit being given.

This area of the offeror's proposal must include each of the following items that correspond to the EBT and EPC services requirement in Attachment*****Supplement***** Two. All sections and sub-sections must be addressed. Each section must include a detailed description to address each requirement identified in Supplement Two. The offeror must specifically address the process, methods and proposed approach to meet each requirement.

EBT System Requirements include:

- EBTSytem Interface Requirements
- EBT Account Structure and Maintenance
- EBT Card/Personal Identification Numbers (PINs)
- EBT Administrative System Application
- EBT Transaction Processing and Routing
- EBT USDA-FNS Retailer/Merchant Database
