## PART FIVE: AWARD OF THE CONTRACT

**Contract Award.** The State plans to award the Contract based on the schedule in the RFP, if the State decides the Work is in its best interest and has not changed the award date.

Included with this RFP, as Attachment Five, is a sample of the Contract for the RFP. The State will issue two originals of the Contract to the Contractor proposed for award. The offeror must sign and return the two originals to the Procurement Representative. The Contract will bind the State only when the State's duly authorized representative signs all copies and returns one to the Contractor with an award letter, the State issues a purchase order, and all other prerequisites identified in the Contract have occurred.

The Contractor must begin work within 15 business days after the State issues a purchase order, or on a mutually agreed start date, under the Contract. If the State awards a Contract pursuant to this RFP, and the Contractor is unable or unwilling to begin the Work within the time specified above, the State may cancel the Contract, effective immediately on notice to the Contractor. The State then may return to the evaluation process under this RFP and resume the process without giving further consideration to the originally selected Proposal. Additionally, the State may seek such other remedies as may be available to the State in law or in equity for the selected Contractor's failure to perform under the Contract.

**Contract.** If this RFP results in a Contract award, the Contract will consist of this RFP, including all attachments, written amendments to this RFP, the Contractor's accepted Proposal, and written, authorized amendments to the Contractor's Proposal in final form. It also will include any materials incorporated by reference in the above documents and any purchase orders and change orders issued under the Contract. The form of the Contract is included as a one-page attachment to this RFP, but it incorporates all the documents identified above. The general terms and conditions for the Contract are contained in Attachment Four to this RFP. If there are conflicting provisions between the documents that make up the Contract, the order of precedence for the documents is as follows:

1. The Contract in its final form;
2. This RFP, as amended;
3. The documents and materials incorporated by reference in the RFP;
4. **\*\*\*The Executive Order EO 2011-12K incorporated by reference in the RFP\*\*\*;**
5. The Contractor's Proposal, as amended, clarified, and accepted by the State; and
6. The documents and materials incorporated by reference in the Contractor's Proposal.

Notwithstanding the order listed above, change orders and amendments issued after the Contract is executed may expressly change the provisions of the Contract. If they do so expressly, then the most recent of them will take precedence over anything else that is part of the Contract. To be binding on the State, a duly authorized representative of the Department of Administrative Services must sign any change order under or amendment to the Contract.
