** CABVI can meet customer's normal demand with a standard capacity of 1,840 billable units per ten (10) working days, equivalent to one (1) truckload every other week.*

** Thirty (30) calendar day notice from customer is required if demand exceeds normal capacity. ((Capacity can be expanded to 2,392 billable units per ten (10) working days with thirty (30) calendar day notice. CABVI will commit to this expanded capacity when thirty (30) calendar day notice is provided.))*

** If customer can provide the thirty (30) calendar day notice of demand as described above, then the below 1st tier of pricing will remain in effect.*

** Pricing based on full truckload orders only, (full truckload = 40 rolls/20 pallets).*

2nd TIER PRICING
