The policy shall also be endorsed to include a blanket waiver of subrogation and a statement that the Contractor's commercial general liability insurance shall be primary over any other coverage. Umbrella/excess liability insurance may be used to meet the required limits and the coverage must follow form. The State reserves the right to approve all policy deductibles and levels of self-insured retention-captive insurance programs and may require the Contractor to have their policy(ies) endorsed to reflect per project / per location general aggregate limits.

Said certificates shall contain a clause or endorsement providing thirty (30) days prior written notice of cancellation, non-renewal or decrease in coverage will be given to the State. Failure of the Contractor to maintain this coverage for the duration of the Contract, and any renewals thereto, may be considered as a default. - E. LIMITATION OF LIABILITY.** Notwithstanding any limitation provisions contained in the documents and materials incorporated by reference into this Contract, the parties agree as follows:
1. Neither party will be liable for any indirect, incidental or consequential loss or damage of any kind including but not limited to lost profits, even if the parties have been advised, knew, or should have known of the possibility of damages.
 2. The Contractor further agrees that the Contractor shall be liable for all direct damages due to the fault or negligence of the Contractor.
- F. PRODUCT RECALL.** In the event product delivered has been recalled, seized, or embargoed and/or has been determined to be misbranded, adulterated, or in the case of consumable product, found to be unfit for human consumption by the packer, processor, manufacturer or by any state or federal regulatory agency, the Contractor shall notify the Contracting Agency and all Ordering Agencies within two business days after notice has been given. STATE OF OHIO

STANDARD TERMS & CONDITIONS

The Contractor must, for each subcontract in excess of \$2,500, require its subcontractors to agree to the same provisions of this Section. The Contractor may not artificially divide Contracts with its subcontractors to avoid requiring subcontractors to agree to this provision. This provision does not apply to Contracts where federal funds are used and the federal government requires audits of all subcontracts regardless of the amount of the Contract.

The Contractor must provide access to the requested records no later than five (5) business days after the request by the State, the State's designee or any party with audit rights. If an audit reveals any material deviation from the Contract requirements, any misrepresentations, or overcharge to the State or any other provider of funds for the Contract, the State or other party will be entitled to recover damages as well as the cost of the audit.

- B. F.O.B. DESTINATION/ACCEPTANCE.** The Contractor must provide Deliverables under this Contract F.O.B. Destination. The place of destination will be specified by the Ordering Agency on the agency's purchase order or other ordering document. Cost of the freight must be borne and paid by the Contractor unless otherwise stated.

All risk of loss, regardless of the cause, will remain with the Contractor until title to the Deliverable passes to the State. Unless otherwise provided in this Contract, the State will determine whether the Contractor provided each Deliverable required in this Contract and has fully met all work requirements of this Contract. Title to any Deliverables will pass to the State on Acceptance of the Deliverable.

- C. RETURNED GOODS.** When the use of this Contract involves the purchase of goods, the following applies:

1. Returned goods, when due to Contractor error (i.e. over-shipment, defective merchandise, unapproved substitution, etc.), shall be returned to the Contractor at the Contractor's expense. The Contractor shall make arrangements to remove the returned goods from the ordering agency premises within seven (7) calendar days after notification. The Contractor shall not apply any restocking or other charges to the ordering agency. At the option of the ordering agency, replacement items may be accepted and will be shipped within seven (7) calendar days of notification. Failure of the Contractor to arrange for return of the items within the specified time will result in the items being deemed as abandoned property and the ordering agency will dispose of accordingly.
2. For orders of custom manufactured items, the Contractor must provide a production sample of the item to the ordering agency for acceptance. The production sample must be identical to the item to be provided. The ordering agency will provide written acceptance of the item prior to the Contractor continuing with production. Once delivery and acceptance has been completed and the ordering agency determines for any reason that any remaining quantities will not be used, the agency may request the return of the custom manufactured items. Acceptance of the return of custom manufactured items will be at the option of the Contractor. Failure of the Contractor to provide a production sample and obtain written approval from the ordering agency will result in the Contractor bearing all responsibility and costs associated with the return of these goods.
3. Returned goods of regular catalog stock merchandise, when due to agency error (i.e. over purchase, discontinued use, inventory reduction, etc.) will be accepted by the Contractor if notice is given by the agency within six (6) months of delivery and acceptance. All items to be returned must be unused and in their original containers and in suitable condition for resale. Return of regular stock catalog merchandise, when delivery and acceptance exceed six (6) months will be at the option of the Contractor.

- D. CUSTOM DELIVERABLES.** All custom work done by the Contractor and covered by this Contract will belong to the State with all rights, title, and interest in all intellectual property that comes into existence through the Contractor's work under this Contract being assigned to the State. Additionally, the Contractor waives any shop rights, author rights, and similar retained interests in any such custom developed materials. The Contractor must provide the State with all assistance reasonably needed to vest such rights of ownership in the State. However, the Contractor will retain ownership of all tools, methods, techniques, standards, and other development procedures, as well as generic and

STANDARD TERMS & CONDITIONS

preexisting shells, subroutines, and similar material incorporated in any custom Deliverable ("Pre-existing Materials").

The Contractor grants the State a worldwide, non-exclusive, royalty-free, perpetual license to use, modify, sell, and otherwise distribute all Pre-existing Materials that are incorporated in any custom-developed Deliverable. The Contractor may not include in any custom Deliverable any intellectual property unless such has been created under this Contract or qualifies as Pre-existing Material. If the Contractor wants to incorporate any Pre-existing Materials in a custom Deliverable, the Contractor must disclose that desire to the State and obtain written approval from the State for doing so in advance. On the request of the Contractor, the State will incorporate any proprietary notice that Contractor may reasonably want for any Pre-existing Materials included in a custom Deliverable in all copies the State makes of that Deliverable. Subject to the limitations and obligations of the State with respect to Pre-existing Materials, the State may make all custom Deliverables available to the general public without any proprietary notices of any kind.

- E. FORCE MAJEURE (EXCUSABLE DELAY).** Neither party will be liable for any delay in its performance that arises from causes beyond its or its subcontractor's control and without its or its subcontractor's negligence or fault. For purposes of this Section, the term "force majeure event" includes without limitation, the following: Acts of God, such as pestilence, lightning, earthquakes, fires, storms, hurricanes, tornadoes, floods, washouts, droughts, severe weather. Additional circumstances and events include epidemics, explosions, restraining of government and people, war, strikes, and other similar events or causes.

If the State or the Contractor cannot perform any part of its obligations under this Contract because of force majeure, that party is excused from those obligations, to the extent that performance is prevented by the force majeure event and that party took all commercially reasonable steps to mitigate or avoid the effects of the force majeure event. If there is only a delay in performance, such delay may extend only for that time lost because of the force majeure event. At any time a party is unable to perform those above-referenced obligations, it must also do the following:

1. Promptly notify the other party, in writing, of any material delay in performance due to a specified force majeure event;
2. Provide detailed information of the force majeure event;
3. Provide a proposed revised performance date to make up for performance delays due to the force majeure event. When applicable, the revised schedule must provide for performance time not to exceed the time lost as a result of the force majeure event.

- F. CONTRACT PERFORMANCE MANAGEMENT.** The Contracting and Ordering Agencies are responsible for administering and monitoring the Contractor's compliance and performance on this Contract. Therefore, the Contractor must respond to complaints about performance of the obligations in this Contract to such entities in a timely manner. If the Contractor fails to perform any one of its obligations under this Contract, it will be in default.

If the Contractor fails to satisfactorily correct the performance or compliance issue within the time designated by the Agency, the Contracting Agency may employ all available options and remedies, including termination of the Contract if necessary to resolve the Contractor's continued nonperformance or noncompliance.

- G. QUALITY ASSURANCE.** At the option of the Contracting or Ordering Agency samples may be taken from deliveries made and submitted for laboratory tests. The Ordering Agency will bear the cost of testing when samples are found to be in compliance with the Contract. If samples do not conform to the Contract, Contractor will bear the costs of testing and the terms and conditions of the Suspension/Termination provision of this Contract will be applied.

STATE OF OHIO

STANDARD TERMS & CONDITIONS

H. CONTRACT REMEDIES.

1. **Actual Damages.** The Contractor is liable to the State for all actual and direct damages caused by the Contractor's default. The State may self-perform or buy substitute Deliverables from a third party for those that were to be provided by the Contractor. The State may recover the costs associated with acquiring substitute Deliverables, less any expenses or costs avoided by the Contractor's default.
2. **Liquidated Damages.** If actual and direct damages are uncertain or difficult to determine, the State may recover liquidated damages. Unless otherwise specified, liquidated damages will be in the amount of 1% of the value of the order, Deliverable, or milestone that are the subject of the default, for every day that the default is not cured by the Contractor.
3. **Deduction of Damages from Contract Price.** The State may withhold payment and deduct all or any part of the damages resulting from the Contractor's default from any part of the Contractor's compensation still due on the Contract.

- I. **SUSPENSION/TERMINATION.** In the event of suspension or termination the State will issue a notice. Any notice of suspension or termination, in full or in part, will be effective as specified in the notice. The Contractor must immediately cease all work, refuse any additional orders, and take all steps necessary to minimize the costs the Contractor will incur related to this Contract as directed by the notice. Suspension, termination or expiration of this Contract will not limit the Contractor's continuing obligations with respect to Deliverables that the State paid for or limit the State's rights in such.

At the State's request, the Contractor must immediately prepare a final report and deliver such report to the State. The report must detail the work completed and/or the orders received and not processed prior to the time of notice. If applicable, the report must include the percentage of the Project's completion, estimated time for delivery of all orders received but not processed, any costs incurred by the Contractor in doing the Project to date, and any Deliverables completed or partially completed but not delivered to the State at the time of notice. Based on the State's approval of the final report and as directed, the Contractor must deliver work, whether completed or not, to the State. Any delivered work will be subject to approval by the State. The Contractor may be entitled to payment for any Deliverables that have been delivered and accepted at a pro-rated amount based on the compensation structure of this Contract.

1. **Contract Suspension.**

- a. **Suspension for Cause.** If the Contractor fails to perform any one of the Contractor's obligations under this Contract, the Contractor will be in default and the State may suspend rather than terminate this Contract. In the case of suspension for default, the State will be entitled to all remedies available under this Contract.
- b. **Suspension for Convenience.** In the case of a suspension for the State's convenience, the amount of compensation due to the Contractor for work performed before the suspension will be determined in the same manner as provided in Section I.2.a. for termination for the State's convenience or the Contractor may be entitled to compensation for work performed before the suspension.

The notice of suspension whether, with or without cause, will be effective immediately, on the Contractor's receipt of the notice.

2. **Contract Termination.**

- a. **Termination for Convenience.** The State may terminate this Contract, or an Ordering Agency may terminate an Order, for its convenience after issuing written notice to the Contractor. The Contractor will be entitled to the pro-rated contract price for any Deliverable or portion of a Deliverable that the Contractor has delivered and the State has accepted before the termination. Total payments will not exceed the amount payable to the Contractor as if the Contract had been fully performed. This will be the Contractor's exclusive remedy in the case of termination for convenience and is available to the Contractor only after the Contractor has submitted a proper invoice.

STANDARD TERMS & CONDITIONS

b. **Termination for Cause.** If the Contractor fails to perform any of its obligations under this Contract, the Contractor will be in default and the State may terminate this Contract in accordance with this Section. Termination for cause includes but is not limited to:

- 1) **Termination for Persistent Default.** The State may terminate this Contract for defaults that are cured, but are persistent. "Persistent" means three or more defaults. After the State has notified the Contractor of its third default, the State may terminate this Contract without providing the Contractor with an opportunity to cure. The three defaults are not required to be related to each other in any way.
- 2) **Termination for Endangered Performance.** The State may terminate this Contract if the State determines that the performance of the Contract is endangered through no fault of the State.
- 3) **Termination for Financial Instability.** The State may terminate this Contract if the Contractor fails to timely pay its subcontractors, files a petition in bankruptcy or similar action, or the State finds other evidence of the Contractor's financial instability.
- 4) **Termination for Delinquency, Violation of Law.** The State may terminate this Contract if the State determines that the Contractor is delinquent in its payment of federal, state or local obligations including but not limited to taxes, workers' compensation insurance premiums, unemployment compensation contributions, child support, court costs or any other obligation owed to a State agency or political subdivision. The State also may terminate this Contract if the State determines that the Contractor has violated any law during the performance of this Contract.
- 5) **Termination for Subcontractor Default.** The State may terminate this Contract for the default caused by the Contractor's subcontractors. Any claims of its subcontractors due to suspension or termination will be the sole responsibility of the Contractor.
- 6) **Termination for Failure to Retain Certification, License, and Permits.** The State may immediately terminate the Contract if Contractor fails to obtain and maintain all official permits, approvals, licenses, certifications (Including CRP, MBE, EDGE and Veteran Friendly Business Enterprise certifications), and similar authorizations required by this Contract or by any local, state, or federal law throughout the duration of this Contract.

J. **TIME IS OF THE ESSENCE.** Time is of the essence in this Contract. The Contractor must deliver Deliverables and meet milestones as required by the Contract or coordinate an acceptable date and time for delivery with the Ordering Agency. If the Contractor is not able to or does not provide the Deliverables to the Ordering Agency or meet milestones by the date and time set forth in the Contract or agreed upon by the parties, the State may obtain any remedy as described herein or any other remedy at law.

K. **ePROCUREMENT.** This contract will become part of an eProcurement System which will provide electronic contract and catalog hosting and management services. Ordering Agencies will access a web-based site to place orders for the procurement of goods and services using State of Ohio contracts. The Contractor agrees to establish, maintain and support an online contract and catalog.

VII. DATA AND INFORMATION CONTROL

A. **CONFIDENTIALITY.** The Contractor may learn of information, documents, data, records, or other material that is confidential in the performance of this Contract. The Contractor may not disclose any information obtained by the Contractor as a result of this Contract, without the written permission of the State. The Contractor must assume that all State information, documents, data, source codes, software, models, know-how, trade secrets, or other material is confidential. In addition, the Contractor may not disclose any documents or records excluded by Ohio law from public records disclosure requirements.

The Contractor's obligation to maintain the confidentiality of the information will not apply where the information:

1. Was already in the Contractor's possession before disclosure by the State, and the information was received by the Contractor without the obligation of confidence;
2. Is independently developed by the Contractor;

3. Is or becomes publicly available without breach of this Contract except as provided in the next full paragraph;
4. Is rightfully received by the Contractor from a third party without an obligation of confidence;
5. Is disclosed by the Contractor with the written consent of the State; or
6. Is released in accordance with a valid order of a court or governmental agency, provided that the Contractor:
 - a. Notifies the State of such order immediately upon receipt of the order; and
 - b. Makes a reasonable effort to obtain a protective order from the issuing court or agency limiting disclosure and use of the confidential information solely for the purposes intended to be serviced by the original order of production.

Although some sensitive personal information, such as medical records, addresses, telephone numbers, and social security numbers may be publicly available through other sources, the Contractor shall not disclose or use such information in any manner except as expressly authorized in this Contract. Therefore, notwithstanding item 3 above, the Contractor does have an obligation to maintain the confidentiality of such sensitive personal information.

The Contractor must return all originals of any information provided by the State and destroy any copies the Contractor has made on termination or expiration of this Contract.

The Contractor will be liable for the disclosure of any confidential information. The parties agree that the disclosure of confidential information of the State may cause the State irreparable damage for which remedies other than injunctive relief may be inadequate, and the Contractor agrees that in the event of a breach of the obligations hereunder, the State shall be entitled to temporary and permanent injunctive relief to enforce this provision without the necessity of proving actual damages. This provision shall not, however, diminish or alter any right to claim and recover damages.

- B. PUBLIC RECORDS AND RETENTION OF DOCUMENTS AND INFORMATION.** The Contractor acknowledges, in accordance with Section 149.43 of the Ohio Revised Code, that this Contract, as well as any information, Deliverables, records, reports, and financial records related to this Contract are presumptively deemed public records. The Contractor understands that these records will be made freely available to the public unless the State determines that, pursuant to state or federal law, such materials are confidential or otherwise exempt from disclosure. The Contractor must comply with any direction from the State or an Ordering Agency to preserve and/or provide documents and information, in both electronic and paper form, and to suspend any scheduled destruction of such documents and information.
- C. SECURITY & SAFETY RULES.** When using or possessing State data or accessing State networks and systems, the Contractor, its employees, subcontractors and agents must comply with all applicable State rules, policies, and regulations regarding State-provided IT resources, data security and integrity. When on any property owned or controlled by the State, the Contractor must comply with all security and safety rules, regulations, and policies applicable to people on those premises.
- D. USAGE REPORTS.** At no cost to the State and in addition to other reports required by the Contract, the Contractor shall be required to provide quarterly, bi-annual or annual usage reports as requested by all Contracting Agencies and Co-operative Purchasing Program members. The report may include customer name, date of purchase, item description, quantity, dollar value, aggregate sales to date for each customer and other such information. Electronic media is the preferred method for these reports. Failure to provide the requested reports may be deemed as an event of default.
