EPOKE S3800/ 3800-2T SIRIUS AST

NOVEMBER 1, 2014
USA PRICING
FOB DESTINATION, OHIO

Epoke S3800 Sirius AST road speed related truck mounted spreader (driven by truck mounted hydraulic system) with the following standard features and included options:

- 38XX stainless steel agitator with replaceable steel spring fingers
- 38XX stainless steel delivery roller with 8mm steel cams
- 38XX soft rubber base & standard spring base and spring base adjustment
- 38XX conveyor belt
- 38XX galvanized feed funnel and inspection ladder
- 38XX central placed grease points
- 608286 hydraulic fittings JIC – 12 pressure & return - Dealer to supply hydraulic hoses
- 606162 large distribution box with RS232
- 608362 EpoMaster III controller with RS232 & card reader
- 609609 ground speed adapter
- 425400 spout, stainless steel
- 38XX wiring only for work light and wiring and beacon stems for two beacons
- 608569 hydraulic pressure gauge in machine house
- 608083 neutral gear
- 608XXX liquid system including side tanks, liquid level indicator and autostop of liquid fill
- 608069 5 – 30% variable prewetting system
- 605605 shut off valve
- 608740 stainless steel liquid spout
- 38XX safety grate 4” X 4” with 8 degree slope
- 608134 level indicator for dry material

Epoke S3800 Sirius AST SMALL, hopper equipped as above with 2 X 245 gallon side tanks- select one of the following hopper options:

3830 SMALL 3m3 (4.0 cubic yard) ........................................................................................................ $ 68,130.00

3831 SMALL 3m3 + 1m3 (5.2 cubic yard) add .................................................................................... $ 1,705.00
3832 SMALL 3m3 + 2m3 (6.5 cubic yard) add .................................................................................... $ 2,060.00

Epoke S3800 Sirius AST MEDIUM hopper equipped as above with 2 X 310 gallon side tanks- select one of the following hopper options:

3840 MEDIUM 4m3 (5.2 cubic yard) ................................................................................................ $ 71,685.00

3850 MEDIUM 4m3 + 1m3 (6.5 cubic yard) add .................................................................................... $ 1,705.00
3851 MEDIUM 4m3 + 2m3 (7.8 cubic yard) add .................................................................................... $ 2,060.00
3852 MEDIUM 4m3 + 3m3 (9.1 cubic yard) add .................................................................................... $ 2,415.00

Epoke S3800 Sirius AST LARGE hopper equipped as above with 2 X 405 gallon side tank- select one of the following hopper options:

3860 LARGE 6m3 (7.8 cubic yard) ........................................................................................................ $ 74,525.00

3870 LARGE 6m3 + 1m3 (9.1 cubic yard) add ..................................................................................... $ 1,705.00

EPOKE IGLOO

NOVEMBER 1, 2014
USA PRICING
FOB DESTINATION, OHIO

Epoke Igloo truck mounted spreader (driven by truck mounted hydraulic system) with the following standard features and included options:

- 2XXX standard profiled conveyor belt
- 2XXX SH-operation by vehicle hydraulics- Dealer to supply hydraulic hoses
- 2XXX spreading disc
- 606161 standard distribution box
- 2XXX standard controller: EpoSet for 2300; EpoBasic for 2400 only
- 438685 ground speed adapter (2400 only)
- 600XXX wiring only for work light and one beacon
- 605663 manual spread symmetry (electric symmetry option available on S2400- see below)

Epoke Igloo S2300 (NOT road speed related) spreader equipped as above- select one of the following hopper options:

- 2470 0.8m³ (1.0 cubic yard) ................................................................. $ 20,845.00
- 605106 0.15m³ (0.2 cubic yard) hopper extension for above ........................................ $ 660.00
- 605107 0.3m³ (0.4 cubic yard) hopper extension for above ........................................ $ 780.00

- 2471 1.1m³ (1.4 cubic yard) ................................................................. $ 22,180.00
- 608019 0.3m³ (0.4 cubic yard) hopper extension for above ........................................ $ 875.00
- 605108 0.5m³ (0.65 cubic yard) hopper extension for above ......................................... $ 950.00

- 2472 1.4m³ (1.8 cubic yard) ................................................................. $ 23,520.00
- 606491 0.2m³ (0.25 cubic yard) hopper extension for above ........................................ $ 895.00
- 605109 0.6m³ (0.8 cubic yard) hopper extension for above ......................................... $ 1,010.00

Epoke Igloo S2400 (road speed related) spreader equipped as above- select one of the following hopper options:

- 2485 0.6m³ (0.8 cubic yard) ........................................................................ $ 27,785.00
- 605107 0.2m³ (0.25 cubic yard) hopper extension for above ........................................ $ 720.00

- 2444 0.8m³ (1.0 cubic yard) ........................................................................ $ 29,140.00
- 605106 0.15m³ (0.2 cubic yard) hopper extension for above ........................................ $ 660.00
- 605107 0.3m³ (0.4 cubic yard) hopper extension for above ......................................... $ 780.00

- 2446 1.1m³ (1.4 cubic yard) ........................................................................ $ 30,475.00
- 608019 0.3m³ (0.4 cubic yard) hopper extension for above ........................................ $ 875.00
- 605108 0.5m³ (0.65 cubic yard) hopper extension for above ......................................... $ 950.00

- 2448 1.4m³ (1.8 cubic yard) ........................................................................ $ 31,825.00
- 606491 0.2m³ (0.25 cubic yard) hopper extension for above ........................................ $ 895.00
- 605109 0.6m³ (0.8 cubic yard) hopper extension for above ......................................... $ 1,010.00
Select one of the following chute arrangements:

249X Short chute arrangement for truck bed height 700 - 800 mm (27.5” to 31.5”)
249X Medium chute arrangement for truck bed height 850 – 1200 mm (33.5” to 47”)
249X Long chute arrangement for truck bed height 1100 – 1500 mm (43.5” to 59”)

**Paint:** Spreadsers are painted standard Epoke RAL 2011 orange. Other RAL colors are available at a Dealer net cost of $1,365.00 per order. This cost is for cleaning and changeover and is a total net *per order* for one or multiple spreaders that are ordered at the same time.

**Options:**

**Liquid System** - select one of the following: ..................................................................................................................$ 9,795.00
24XX Igloo 0.6m³ includes 2 X 114L (2 X 30 gallon) side tanks
24XX Igloo 0.8m³ includes 2 X 170L (2 X 45 gallon) side tanks
24XX Igloo 1.1m³ includes 4 X 114L (4 X 30 gallon) side tanks
24XX Igloo 1.4m³ includes 2 X 170L & 2 X 114L (2 X 45 gallon & 2 X 30 gallon) side tanks
Each of the above include 606XXX prewetting system fixed at 30% & 605038 shut off valve
604175 Liquid level indicator ..................................................................................................................$ 515.00
608186 Auto-stop of liquid filling ..................................................................................................................$ 360.00

24XX Support leg system- long, side mounted (width is 2670 mm/ 8'9") ........................................................................ $ 3,200.00
24XX Safety Grate 50mm X 50mm (2” X 2”) flat .................................................................................................$ 995.00
24XX Folding cover ...............................................................................................................................................$ 2,400.00

608362 EpoMaster III with RS232 & card reader (available on S2400 only) ...........................................................$ 3,840.00
606162 Large Distribution box with RS232 (available on S2400 only) ...............................................................$ 920.00
605298 Electric symmetry (available on S2400 only) ............................................................................................$ 1,350.00

24XX Lighting includes LED Megabeam work light & two LED beacons ...........................................................$ 1,195.00
604577 Air temperature sensor (available on S2400 with EpoMaster III & large distribution box only) .......... $ 405.00
603320 Proximity sensor for two plows (available on S2400 with EpoMaster III & large distribution box only) $ 810.00
249X Engine/ hydraulic power (available on S2300 only) 5.5 HP Honda gas engine with manual start .......... $ 3,645.00
249X Engine/ hydraulic power (available on S2400 only) 9.0 HP Honda gas engine controlled by EpoBasic/ EpoMaster .................................................................................................................................................$ 5,460.00
Eposat GPS controlled automated spreading system with route navigation consists of two components- EpoSat office software package and an EpoSat hardware package to be installed on each spreader.

**EpoSat Office Software Package**
EpoSat office software package for installation on customer’s PC:
- Includes a digital map displaying roads, road names, cities, forests, watercourses etc.
- Includes Omni Drive card reader and one EpoCard for reference route recording
- Includes 1 year license for EpoSat and digital mapping software
- PC requirements for EpoSat software installation: Pentium 4; Processor minimum 2.0 GHz (recommended 2.8 GHz); 256MB RAM; DVD Drive; 1 GB free space on hard drive; Color screen- 1024*768 resolution; Software: Windows 2000 or newer
