Vitek 2 AGED	VITEK 2 60	VTK22611	FSA	<p>Full Service Agreement (FSA): The Full Service Agreement ("FSA" formerly "Enhanced Service Plan" or "FLS") covers all telephone support, labor, travel, expenses, and parts for an unlimited number of telephone support calls and on-demand service visits, to the extent defined in the General Service Terms and Conditions. bioMérieux shall use commercially reasonable efforts to provide Customer on-site remedial maintenance during the stated coverage hours within twenty four (24) hours of determination by bioMérieux that an on-site visit is necessary. This Agreement also includes the recommended preventive maintenance visits per year (see Quotation) and bioMérieux's remote diagnostics feature for troubleshooting instrumentation (NOTE: remote access denial may result in additional service charges for unnecessary dispatches). The extent of the level of the technical call center support is at the discretion of bioMérieux and does not include support such as, but not limited to, intensive data mining, training, LIS Support, or situations where dispatch is required. Initiation of coverage is subject to Section 3 "Instrument Eligibility". COVERAGE: On Site Available between 7:00AM – 7:00PM local time in the Continental U.S., 7 Days a week. Zone charges may apply for Instruments located outside the Continental U.S. Technical Support Center Support 24 hours a day / 7 days a week.</p>	6/4/2004	4/15/2019	4/14/2020	12.0	\$24,629.55	\$22,166.60	\$22,166.60	\$22,166.60
