

Vendor: Election Systems & Software, LLC

Solution Description (Optical Scan, DRE, Hybrid, etc.): DS450, DS200, and ExpressVote Ballot Marking Device (For All Voters or for ADA Use Only)

In the tables below, the bidder is to enter the items listed and unit cost.

The list is to include all required hardware, software, warranties (covering the life expectancy of the solution), training, etc., costs for the solution as defined in this ITB. Include the required years 6 through 10 warranty as a line item in the optional section. If the life expectancy of the solution is more than 10 years, include the required warranty as a line item in the optional section. The pricing provided on this page must be the same as the pricing on the complete pricelist provided as part of this ITB submission.

TABLE A: State-Funded Items

Item	Unit Cost
High-Speed Scanner (for Central Count of Absentee Ballots) <b>DS450 Central Scanner - Hardware Version 1.0/Firmware Version 3.1.0.0</b> Includes Scanner, Steel Table/Cart, Start-up Kit, Dust Cover, Reports Printer, Audit Printer, Battery Backup, Two (2) USB Cables, Two (2) Standard 8GB Memory Devices and Five (5) Year Hardware Warranty with Biennial Maintenance * See "TABLE A: State-Funded Items - Other" below for DS850 Central Scanner costs *	\$44,925.00
Software for High-Speed Scanner	Initial license fee included in High-Speed Scanner cost above
Licensing and Support for Software for High-Speed Scanner – Years 1-5 and billed with hardware <b>DS450 Firmware License</b>	Initial license fee included in High-Speed Scanner cost above. \$6,300.00 total for years 2-5.
Workstation for High Speed Scanner (i.e., laptop/desktop, monitor, etc.)	Not applicable
Memory Device or Drives for Use of High-Speed Scanner (itemized by storage capacity)– device must have 5 year (or greater) useful life and a specialized device for voting machines (e.g., not a common flash drive)	Two (2) Standard 8GB Memory Devices included in High-Speed Scanner cost above
Security Devices (e.g., keys, locks, etc.) for High-Speed Scanner – lock must have 5 year (or greater) useful life and a specialized device for voting machines (e.g., not a common lock)	Included in High-Speed Scanner cost above
Precinct-Based Voting Equipment (i.e., Precinct-Count Optical Scanners, Marking Devices/Touchscreen Interfaces for Hybrid Units, Direct Recording Electronic Units [DREs]) <b>DS200 Precinct Scanner with Plastic Ballot Box - Hardware Version 1.3/Firmware Version 2.17.0.0</b> Includes Scanner, Internal Backup Battery, Plastic Ballot Box with Steel Door and e-Bin, Paper Roll, One (1) Standard 4GB Memory Device, and Five (5) Year Hardware Warranty * See "TABLE A: State-Funded Items - Other" below for DS200 Precinct Scanner with Collapsible Ballot Box costs *	\$4,670.00
Software for Precinct-Based Equipment	Initial license fee included in Precinct-Based Voting Equipment cost above
Licensing and Support for Software for Precinct-Based Equipment – Years 1-5 and billed with hardware <b>DS200 Firmware License</b>	Initial license fee included in Precinct-Based Voting Equipment cost above. \$320.00 total for years 2-5.
Voter Privacy Screens	Not applicable for Precinct-Based Voting Equipment above. See Other Items listed below for ADA Device Voter Privacy Screen options.
Memory Device or Drives for Precinct-Based Voting Equipment (itemized by storage capacity) – device must have 5 year (or greater) useful life and a specialized device for voting machines (e.g., not a common flash drive)	One (1) Standard 4GB Memory Device included in Precinct-Based Voting Equipment cost above. Additional Standard 4GB Memory Devices listed under Other Items below.
Security Devices (e.g., keys, locks, etc.) for Precinct-Based Voting Equipment – lock must have 5 year (or greater) useful life and a specialized device for voting machines (e.g., not a common lock)	Included in Precinct-Based Equipment cost above
Starter Cartridge for Printer (If needed) for Precinct-Based Equipment for initial use	Not applicable
Batteries, Chargers, Power Strips, Cords, Cables, Routers (Necessary for the Configuration and Operation of Precinct-Based Voting Equipment, High-Speed Scanner, ADA-Accessible Voting Equipment, or Workstations) – only the amount necessary for initial set-up and operation.	Batteries, Cords and Cables included in Precinct-Based Voting Equipment cost above. Power Strips not included. Chargers and Routers are not applicable.

Accessible Ballot Marking Device - ADA <b>ExpressVote Ballot Marking Device - Hardware Version 2.1/Firmware Version 2.4.0.0</b> <b>Includes Terminal, Soft-Sided Case, Internal Backup Battery, ADA Keypad, Headphones, One (1) Standard 4GB Memory Device, and Five (5) Year Hardware Warranty</b> <b>* See "TABLE A: State-Funded Items - Other" below for ExpressVote BMD with Kiosk costs *</b>	\$2,864.00
Stand for Accessible Ballot Marking Device – ADA – if necessary part of voting machine	See ExpressVote BMD with Kiosk options below under Other Items
Printer - Accessible Ballot Marking Device - ADA	Included in Accessible Ballot Marking Device cost above
Starter Cartridges for Accessible Ballot Marking Device Printer – ADA – for initial use	Not applicable (Thermal printer)
Stand for Printer - Accessible Ballot Marking Device – ADA – if necessary part of voting machine	Not applicable
Accessible Voting Booth - ADA – if necessary part of voting machine	Not a necessary item
Accessibility Aids - ADA (e.g., jelly switches, headphones, microphone, keyboards, etc.) – if 5-year (or greater) useful life.	Headphones and ADA Keypad included in Accessible Ballot Marking Device cost above
Software for Accessible Ballot Marking Device - ADA	Initial license fee included in Accessible Ballot Marking Device cost above
Licensing and Support for Software for Accessible Ballot Marking Device – ADA – Years 1-5 and billed with hardware <b>ExpressVote Ballot Marking Device Firmware License</b>	Initial license fee included in Accessible Ballot Marking Device cost above. \$220.00 total for years 2-5.
Memory Devices or Drives for Use of Accessible Ballot Marking Device – ADA (itemized by storage capacity)	One (1) Standard 4GB Memory Device included in Accessible Ballot Marking Device cost above. Additional Standard 4GB Memory Devices listed under Other Items below.
Security Devices (e.g., keys, locks, etc.) for Accessible Ballot Marking Device – ADA	Included in Accessible Ballot Marking Device cost above
Election Management and Ballot Definition Software <b>ElectionWare PYO Standard (Base Package with English Language Synthesized Voice Files) - EVS 6000</b>	\$15,395.00
Voice Synthesis Software, If Priced Separately (For Creation of Audio Ballot for Sight-Limited Voters)	Synthesized English language included in Election Management and Ballot Definition Software cost above \$1,465.00 initial fee plus \$5,860.00 for years 2-5 for each additional synthesized voice file language
Licensing and Support for Election Management and Ballot Definition Software – Years 1-5 and billed with hardware	Initial annual fee included in Election Management and Ballot Definition Software cost above. \$61,580.00 for years 2-5.
Server for Election Management and Tabulation Systems (for purposes of creating standalone network of workstations) - <b>Hardware Configurations below are applicable to ES&amp;S Software Version EVS 6000</b>	
<b>Dell Poweredge T430</b>	\$8,446.00
<b>Dell E2216H 21.5" Wide LED LCD VGA DP Monitor</b>	\$214.00
<b>6' VGA M/M Monitor Cable</b>	\$8.00
<b>Symantec Endpoint Protection 14.0.1</b>	\$27.00
<b>Symantec 14.0.1 Maintenance/Support</b>	\$60.00
<b>Uninterruptible Power Supply (UPS) Battery Backup, 1500 VA</b>	\$264.00
<b>D-Link 8-Port Desktop Switch</b>	\$63.00
Workstation/Server for Election Management and Ballot Definition Software - <b>Hardware Configurations below are applicable to ES&amp;S Software Version EVS 6000</b>	
<b>Dell Optiplex 5050 Mini (Desktop) with 22" Monitor</b>	\$1,620.00
<b>Uninterruptible Power Supply (UPS) Battery Backup 850VA</b>	\$147.00
<b>Symantec Endpoint Protection 14.0.1</b>	\$27.00
<b>Symantec 14.0.1 Maintenance/Support</b>	\$60.00
<b>Adobe Acrobat Standard XI</b>	\$412.00
<b>OKI B432DN Mono Laser Duplex Printer</b>	\$416.00
<b>LD 6' USB 2.0 A-B Cable</b>	\$4.00
Tabulation Software	Tabulation results software module included in Election Management and Ballot Definition Software cost above

Licensing and Support for Tabulation Software – Years 1-5 and billed with hardware	Tabulation results software module included in Licensing and Support for Election Management and Ballot Definition Software – Years 1-5 cost above
Workstation/Server for Tabulation Software	See Workstations and Servers for Election Management and Ballot Definition Software costs above
Ballot Printer <b>C711 OkiData Compact Printer with Five (5) Year Hardware Warranty</b>	\$3,795.00
Software for Ballot Printer <b>Balotar Software with MRS and SRS Capability (One (1) License Required Per Laptop)</b>	\$2,845.00
Workstation for Ballot Printer Software (i.e., laptop/desktop, monitor, etc.) <b>Ballot On Demand Laptop</b>	\$1,320.00
Licensing and Support for Software for Ballot Printer – Years 1-5 and billed with hardware	Initial license fee included in Software for Ballot Printer cost above. \$7,380.00 total for years 2-5.
Starter Cartridges for Ballot Printer – for initial use	Included in Ballot Printer cost above
Warranty on Any and All Hardware – Years 1-5 and billed with hardware	Included in all hardware costs above and in all hardware costs listed in Other Items below
Delivery, Shipping of Equipment to Board of Elections' Office or Facility  <b>Note: Shipping costs listed are rates for shipping one (1) unit. A reduction in shipping costs may be available depending on the quantities purchased by a county. Please contact your ES&amp;S Sales Representative for truckload shipping rates.</b>	\$750.00 Per DS450
	\$115.00 Per DS200
	\$35.00 Per ExpressVote Ballot Marking Device
Voting System Deployment (e.g., software installation and configuration, acceptance testing, etc.)	\$1,925.00 for first DS450 purchased by a county
	\$1,000.00 for each additional DS450 purchased by a county
	\$115.00 Per DS200
	\$105.00 Per ExpressVote
	\$400.00 Per C711 OkiData Compact Printer
	\$1,300.00 Per Day for pre-delivery Workstation and/or Server Configuration
Setup of Equipment at Board of Elections' Office	\$1,700.00 Per Day
Logic and Accuracy Testing Prior to First Election	\$1,700.00 Per Day
<b>TOTAL one (1) each of all State-Funded Items</b>	\$182,152.00
<b>Note: This "Total" line for Table A is included merely to have a total value for quantity (1) of each item listed above. Actual total for State-Funded Items will be determined based upon County needs.</b>	

TABLE A: State-Funded Items - Other

Item	Unit Cost
High-Speed Scanner (for Central Count of Absentee Ballots) <b>DS850 Central Scanner - Hardware Version 1.0/Firmware Version 3.1.0.0</b> <b>Includes Scanner, Steel Table/Cart, Start-up Kit, Dust Cover, Reports Printer, Audit Printer, Battery Backup, Two (2) USB Cables, Three (3) Standard 8GB Memory Devices, and Five (5) Year Hardware Warranty with Biennial Maintenance</b>	\$108,270.00
Licensing and Support for Software for High-Speed Scanner – Years 1-5 and billed with hardware <b>DS850 Firmware License</b>	Initial license fee included in High-Speed Scanner cost above. \$6,300.00 total for years 2-5.
Voting System Deployment (e.g., software installation and configuration, acceptance testing, etc.) <b>DS850</b>	\$1,925.00 for first DS850 purchased by a county \$1,000.00 for each additional DS850 purchased by a county
Delivery, Shipping of Equipment to Board of Elections' Office or Facility <b>Note: Shipping costs listed are rates for shipping one (1) unit. A reduction in shipping costs may be available depending on the quantities purchased by a county. Please contact your ES&amp;S Sales Representative for truckload shipping rates.</b>	\$750.00 Per DS850
Precinct-Based Voting Equipment (i.e., Precinct-Count Optical Scanners, Marking Devices/Touchscreen Interfaces for Hybrid Units, Direct Recording Electronic Units [DREs]) <b>DS200 Precinct Scanner with Collapsible Ballot Box - Hardware Version 1.3/Firmware Version 2.17.0.0</b> <b>Includes Scanner, Internal Backup Battery, Collapsible Ballot Box, Hard Case, Paper Roll, One (1) Standard 4GB Memory Device and Five (5) Year Hardware Warranty</b>	\$4,370.00
Precinct-Based Voting Equipment (i.e., Precinct-Count Optical Scanners, Marking Devices/Touchscreen Interfaces for Hybrid Units, Direct Recording Electronic Units [DREs]) <b>DS200 Precinct Scanner with Collapsible Ballot Box - Hardware Version 1.3/Firmware Version 2.17.0.0</b> <b>Includes Scanner, Internal Backup Battery, Collapsible Ballot Box, Soft-Sided Nylon Case, Paper Roll, One (1) Standard 4GB Memory Device and Five (5) Year Hardware Warranty</b>	\$4,270.00
Licensing and Support for Software for Precinct-Based Equipment – Years 1-5 and billed with hardware <b>DS200 with Collapsible Ballot Box Firmware</b>	Initial license fee included in Precinct-Based Voting Equipment cost above. \$320.00 total for years 2-5.
Voting System Deployment (e.g., software installation and configuration, acceptance testing, etc.)	\$115.00 Per DS200 with Collapsible Ballot Box
Delivery, Shipping of Equipment to Board of Elections' Office or Facility <b>Note: Shipping costs listed are rates for shipping one (1) unit. A reduction in shipping costs may be available depending on the quantities purchased by a county. Please contact your ES&amp;S Sales Representative for truckload shipping rates.</b>	\$115.00 Per DS200 with Collapsible Ballot Box
Accessible Ballot Marking Device - ADA <b>ExpressVote Ballot Marking Device with Kiosk - Hardware Version 2.1/Firmware Version 2.4.0.0</b> <b>Includes Terminal, Kiosk, Internal Backup Battery, ADA Keypad, Headphones, One (1) Standard 4GB Memory Device, and Five (5) Year Hardware Warranty</b>	\$3,385.00
Licensing and Support for Software for Accessible Ballot Marking Device – ADA – Years 1-5 and billed with hardware <b>ExpressVote BMD Terminal with Kiosk</b>	Initial license fee included in Accessible Ballot Marking Device cost above. \$220.00 total for years 2-5.
Voting System Deployment (e.g., software installation and configuration, acceptance testing, etc.) <b>ExpressVote BMD Terminal with Kiosk</b>	\$135.00 Per ExpressVote Ballot Marking Device with Kiosk
Delivery, Shipping of Equipment to Board of Elections' Office or Facility <b>Note: Shipping costs listed are rates for shipping one (1) unit. A reduction in shipping costs may be available depending on the quantities purchased by a county. Please contact your ES&amp;S Sales Representative for truckload shipping rates.</b>	\$115.00 Per ExpressVote BMD with Kiosk
Voter Privacy Screens <b>Tabletop ExpressVote Privacy Screens (6 per case)</b>	\$99.95
Voter Privacy Screens <b>ExpressVote Privacy Canopy</b>	\$39.95
Additional Standard 4GB Memory Devices	\$105.00
Additional Standard 8GB Memory Devices	\$210.00
Cerberus FTP Pro 9.0.3.1 License (For Networking multiple DS450 or DS850's)	\$799.00
Dell Optiplex 5050 Mini (Desktop) with 32" Monitor	\$2,100.00

TABLE B: Non-State-Funded Items

Item	Unit Cost
Transport Bags or Cases for Accessible Equipment - ADA	Soft-Sided Case included in ExpressVote Ballot Marking Device cost listed above in Table A
Licensing and Support for Software for High-Speed Scanner - Extended - Years 6-10 <b>DS450 or DS850 Firmware Total Per Unit for Years 6-10</b>	\$8,740.00
Additional Toner, Ink, Cartridges for High-Speed Scanner - <b>Note: Costs do not include shipping &amp; handling which will be billed separately.</b>	\$125.75 - OkiData B432DN Toner
	\$15.00 - OkiData ML420 Printer Ribbon
Licensing and Support for Software for Precinct-Based Equipment - Extended - Years 6-10 <b>DS200 Firmware Total Per Unit for Years 6-10</b>	\$445.00
Ballot Box or Bag for Precinct-Based Equipment	Ballot Box included in DS200 cost listed above in Table A
Transport Bag or Case for Precinct-Based Equipment	Case included in DS200 cost listed above in Table A
Additional Consumables for Initial Use of Precinct-Based Voting Equipment (e.g., paper ballots, rolls, or cards, etc.) - <b>Note: Costs do not include shipping &amp; handling which will be billed separately.</b>	\$1.85 for additional DS200 Paper Rolls
	\$23.30 for Blank ExpressVote Ballot Card Stock without Stubs - 11" (250 per pkg)
	\$24.60 for Blank ExpressVote Ballot Card Stock without Stubs - 14" (250 per pkg)
	\$27.15 for Blank ExpressVote Ballot Card Stock without Stubs - 17" (250 per pkg)
	\$31.05 for Blank ExpressVote Ballot Card Stock without Stubs - 19" (250 per pkg)
	\$0.10 per sheet for Ballot On Demand Blank Ballot Stock
Licensing and Support for Software for Accessible Ballot Marking Device - ADA - Extended - Years 6-10 <b>ExpressVote Ballot Marking Device Firmware Total for Years 6-10</b>	\$360.00
Licensing and Support for Election Management and Ballot Definition Software - Extended - Years 6-10 <b>ElectionWare PYO Standard (Base Package with English Language Synthesized Voice Files) – EVS 6000 – Total for Years 6-10</b>	\$96,125.00
Licensing and Support for Tabulation Software - Extended - Years 6-10	Tabulation results module included in Licensing and Support for Election Management and Ballot Definition Software - Extended - Years 6-10 above
Licensing and Support for Software for Ballot Printer - Extended - Years 6-10 <b>Balotar Software with MRS and SRS Capabilities - Total for Years 6-10</b>	\$11,520.00
Warranty on Any and All Hardware - Years 6-10 <b>Extended Warranty Years 6-10</b>	
<b>DS200 Extended Warranty - Total Per Unit for Years 6-10</b>	\$610.00
<b>ExpressVote BMD Extended Warranty - Total Per Unit for Years 6-10</b>	\$415.00
Maintenance on Any and All Hardware unless specified in above table - Years 1-5	See Preventative Maintenance on Hardware costs below
Maintenance on Any and All Hardware - Years 6-10	See Preventative Maintenance on Hardware costs below
Preventative Maintenance on Hardware (e.g., cleaning, lubrication, replacement of parts, labor, etc.) unless specified in above table - Years 1-5 <b>Extended Warranty with Biennial Maintenance Years 1-5 - Additional Fee</b>	
<b>DS450 Extended Warranty With Biennial Maintenance - Total Per Unit for Years 1-5</b>	Included in equipment price listed in Table A
<b>DS850 Extended Warranty With Biennial Maintenance - Total Per Unit for Years 1-5</b>	Included in equipment price listed in Table A
<b>DS200 Extended Warranty with Biennial Maintenance - Total Per Unit for Years 1-5</b>	\$490.00
<b>ExpressVote BMD Extended Warranty with Biennial Maintenance - Total Per Unit for Years 1-5</b>	\$310.00
<b>Extended Warranty with Annual Maintenance Years 1-5 - Additional Fee</b>	
<b>DS450 Extended Warranty With Annual Maintenance - Total Per Unit for Years 1-5</b>	\$3,340.00
<b>DS850 Extended Warranty With Annual Maintenance - Total Per Unit for Years 1-5</b>	\$5,880.00
<b>DS200 Extended Warranty with Annual Maintenance - Total Per Unit for Years 1-5</b>	\$640.00
<b>ExpressVote BMD Extended Warranty with Annual Maintenance - Total Per Unit for Years 1-5</b>	\$400.00

Preventative Maintenance on Hardware (e.g., cleaning, lubrication, replacement of parts, labor, etc.) - Years 6- 10	
<b>Extended Warranty with Biennial Maintenance Years 6-10</b>	
DS450 Extended Warranty With Biennial Maintenance - Total Per Unit for Years 6-10	\$10,520.00
DS850 Extended Warranty With Biennial Maintenance - Total Per Unit for Years 6-10	\$14,015.00
DS200 Extended Warranty with Biennial Maintenance - Total Per Unit for Years 6-10	\$820.00
ExpressVote BMD Extended Warranty with Biennial Maintenance - Total Per Unit for Years 6-10	\$540.00
<b>Extended Warranty with Annual Maintenance Years 6-10</b>	
DS450 Extended Warranty With Annual Maintenance - Total Per Unit for Years 6-10	\$15,150.00
DS850 Extended Warranty With Annual Maintenance - Total Per Unit for Years 6-10	\$22,175.00
DS200 Extended Warranty with Annual Maintenance - Total Per Unit for Years 6-10	\$1,025.00
ExpressVote BMD Extended Warranty with Annual Maintenance - Total Per Unit for Years 6-10	\$665.00
Phone Support (i.e., a board of elections may contact a designated individual or Helpdesk for assistance with troubleshooting issues)	Included with Licensing and Support costs
Online Support (i.e., a board of elections may submit issues via an online portal hosted by the voting system's vendor)	Included with Licensing and Support costs
On-Site Repairs to Hardware (as opposed to having to ship equipment off-site)	Included with Biennial and Annual maintenance plans. Otherwise, time and materials rates will apply.
Software Upgrades	Included with Licensing and Support costs, subject to ES&S Licensing and Maintenance provisions
Pre-Election Support (e.g., setup of election management software; pre-election programming and setup of ballots; configuration of reports, etc.)	\$1,850.00 per day. Day is defined as one (1) ES&S employee for a minimum of four (4) hours and maximum of twelve (12) hours on any one (1) calendar day.
Creation of Test Deck (for pre-election testing)	Automated Test Deck included in Election Management and Ballot Definition Software cost
Cost of Printing Test Deck (per sheet using ballot printer system)	\$350.00 per election set-up; \$0.10 per blank ballot stock sheet plus shipping & handling; \$0.35 per ballot sheet processed by the ballot printer for Black & White ballots.
Cost of Printing Test Deck (per sheet using print vendor)	Per Quote
Setup, Configuration, and Printing Fees for Ballot Stub Barcode	Per Quote
Pre-Election Setup for Ballot Printer System	<b>If Off-Site setup is chosen by customer:</b> - \$350.00 per election set-up + \$1.00 per unique PDF (up to 4 computers) plus - \$40.00 per computer over 4 computers  <b>Rework of set up due to customer changes after initial set up is complete:</b> - \$175.00 per change event - \$40.00 per computer over 4 units  <b>If Off-Site setup is not chosen by Customer,</b> there will be an On-Site setup fee charged of \$1,850.00 per person per day.
Ballot Processing Fees (per sheet or per ballot style) for Ballot Printer System	\$0.35 for black and white ballot \$0.45 for color ballot \$0.10 per sheet for blank ballot stock, plus shipping & handling
Assistance with Deployment of Equipment to Polling Locations	Not available
Training of Board of Elections' Staff	\$1,850.00 per day, per class. Class size limited to 10 participants for software training and 20 people for equipment training.

Training Materials for Precinct Election Officials	Standard materials included in training fees.
Training of Precinct Election Officials	\$1,850.00 per day, per class. Class size limited to 10 participants for software training and 20 people for equipment training.
Training Videos for Precinct Election Officials	Per Quote
Demonstration Videos for Voters	Per Quote
Project Management (i.e., project plan and work schedule for deployment; issue identification and resolution; performance measurement against project plan; risk management strategy; quality management plan; resource allocation plan; configuration management plan; and issue management)	\$1,850.00 per day. Day is defined as one (1) ES&S employee for a minimum of four (4) hours and maximum of twelve (12) hours on any one (1) calendar day
Election Day Support (e.g., phone support; dispatch and onsite incident resolution, etc.)	\$1,850.00 per day or, \$4,675.00 for a three day site support event.
Election Night Support (e.g., on-site or remote assistance with tabulation and results reporting, etc.)	
Post-Election Support (e.g., on-site or remote assistance with official canvass of election, etc.)	

TABLE B: Non-State-Funded Items - Other

Item	Unit Cost
Voice Synthesis Software, If Priced Separately (For Creation of Audio Ballot for Sight-Limited Voters) - Years 6-10	Synthesized English language included in Election Management and Ballot Definition Software costs above \$9,145.00 total for years 6-10 for each additional synthesized voice file language.
<b>Total for Years 6-10 Per Additional Language</b>	
DS200 Tote Bin	\$225.00
ExpressVote Single Unit Table with Privacy Screen	\$430.00
ExpressVote Double Unit Table with Privacy Screen	\$490.00
ExpressVote Barcode Scanner for Tabletop or Booth	\$685.00
ExpressVote Barcode Scanner for Kiosk	\$625.00
ExpressVote Activation Card Printer	\$725.00
BOD Printer On-Site Maintenance	\$1,850.00 Per Day
Performance Bond	Per Quote

**Note: Costs under "TABLE B: Non-State Funded Items - Other" do not include shipping & handling which will be billed separately.**

Vendor: Election Systems & Software, LLC

Solution Description (Optical Scan, DRE, Hybrid, etc.): DS450 and ExpressVote Tabulator

In the tables below, the bidder is to enter the items listed and unit cost.

The list is to include all required hardware, software, warranties (covering the life expectancy of the solution), training, etc., costs for the solution as defined in this ITB. Include the required years 6 through 10 warranty as a line item in the optional section. If the life expectancy of the solution is more than 10 years, include the required warranty as a line item in the optional section. The pricing provided on this page must be the same as the pricing on the complete pricelist provided as part of this ITB submission.

TABLE A: State-Funded Items

Item	Unit Cost
High-Speed Scanner (for Central Count of Absentee Ballots)  <b>DS450 Central Scanner - Hardware Version 1.0/Firmware Version 3.1.0.0</b>  <b>Includes Scanner, Steel Table/Cart, Start-up Kit, Dust Cover, Reports Printer, Audit Printer, Battery Backup, Two (2) USB Cables, Two (2) Standard 8GB Memory Devices and Five (5) Year Hardware Warranty with Biennial Maintenance</b>  * See "TABLE A: State-Funded Items - Other" below for DS850 Central Scanner costs *	\$44,925.00
Software for High-Speed Scanner	Initial license fee included in High Speed Scanner cost above
Licensing and Support for Software for High-Speed Scanner – Years 1-5 and billed with hardware  <b>DS450 Firmware License</b>	Initial license fee included in High-Speed Scanner cost above. \$6,300.00 total for years 2-5.
Workstation for High Speed Scanner (i.e., laptop/desktop, monitor, etc.)	Not applicable
Memory Device or Drives for Use of High-Speed Scanner (itemized by storage capacity)– device must have 5 year (or greater) useful life and a specialized device for voting machines (e.g., not a common flash drive)	Two (2) Standard 8GB Memory Devices included in High-Speed Scanner cost above
Security Devices (e.g., keys, locks, etc.) for High-Speed Scanner – lock must have 5 year (or greater) useful life and a specialized device for voting machines (e.g., not a common lock)	Included in High-Speed Scanner cost above
Precinct-Based Voting Equipment (i.e., Precinct-Count Optical Scanners, Marking Devices/Touchscreen Interfaces for Hybrid Units, Direct Recording Electronic Units [DREs])  <b>ExpressVote Tabulator - Hardware Version 2.1/Firmware Version 2.4.0.0</b>  <b>Includes Tabulator Terminal, Internal Backup Battery, Rolling Kiosk with Card Bin, Hub with Reports Printer, Paper Roll, ADA Keypad, Headphones, One (1) Standard 4GB Memory Device and Five (5) Year Hardware Warranty</b>  * See "TABLE A: State-Funded Items - Other" below for other ExpressVote Tabulator Configurations *	\$4,423.00
Software for Precinct-Based Equipment	Initial license fee included in Precinct-Based Voting Equipment cost above
Licensing and Support for Software for Precinct-Based Equipment – Years 1-5 and billed with hardware  <b>ExpressVote Tabulator Firmware License</b>	Initial license fee included in Precinct-Based Voting Equipment cost above. \$260.00 total for years 2-5.
Voter Privacy Screens	Voter Privacy Screens Included in Precinct-Based Voting Equipment
Memory Device or Drives for Precinct-Based Voting Equipment (itemized by storage capacity) – device must have 5 year (or greater) useful life and a specialized device for voting machines (e.g., not a common flash drive)	One (1) Standard 4GB Memory Device included in Precinct-Based Voting Equipment cost above. Additional Standard 4GB Memory Devices listed under Other Items below.
Security Devices (e.g., keys, locks, etc.) for Precinct-Based Voting Equipment – lock must have 5 year (or greater) useful life and a specialized device for voting machines (e.g., not a common lock)	Included in Precinct-Based Equipment cost above
Starter Cartridge for Printer (If needed) for Precinct-Based Equipment for initial use	Not applicable
Batteries, Chargers, Power Strips, Cords, Cables, Routers (Necessary for the Configuration and Operation of Precinct-Based Voting Equipment, High-Speed Scanner, ADA-Accessible Voting Equipment, or Workstations) – only the amount necessary for initial set-up and operation.	Batteries, Cords and Cables included in Precinct-Based cost above. Power Strips not included. Chargers and Routers not applicable.

Accessible Ballot Marking Device - ADA	Precinct-Based Voting Equipment Includes ADA Capabilities
Stand for Accessible Ballot Marking Device – ADA – if necessary part of voting machine	Kiosk included in Precinct-Based Voting Equipment cost above
Printer - Accessible Ballot Marking Device - ADA	Included in Precinct-Based Voting Equipment cost above
Starter Cartridges for Accessible Ballot Marking Device Printer – ADA – for initial use	Not applicable (Thermal printer)
Stand for Printer - Accessible Ballot Marking Device – ADA – if necessary part of voting machine	Not applicable
Accessible Voting Booth - ADA – if necessary part of voting machine	Kiosk included in Precinct-Based Voting Equipment cost above
Accessibility Aids - ADA (e.g., jelly switches, headphones, microphone, keyboards, etc.) – if 5-year (or greater) useful life.	Headphones and ADA Keypad included in Precinct-Based Voting Equipment cost above
Software for Accessible Ballot Marking Device - ADA	Initial license fee included in Precinct- Based Voting Equipment cost above
Licensing and Support for Software for Accessible Ballot Marking Device – ADA – Years 1-5 and billed with hardware	See Licensing and Support for Software for Precinct-Based Equipment – Years 1- 5 above
Memory Devices or Drives for Use of Accessible Ballot Marking Device – ADA (itemized by storage capacity)	One (1) Standard 4GB Memory Device included in Precinct-Based Voting Equipment cost above. Additional Standard 4GB Memory Devices listed under Other Items below.
Security Devices (e.g., keys, locks, etc.) for Accessible Ballot Marking Device – ADA	Included in Precinct-Based Voting Equipment cost above
Election Management and Ballot Definition Software	\$15,395.00
<b>ElectionWare PYO Standard (Base Package with English Language Synthesized Voice Files) - EVS 6000</b>	
Voice Synthesis Software, If Priced Separately (For Creation of Audio Ballot for Sight-Limited Voters)	Synthesized English language included in Election Management and Ballot Definition Software cost above. \$1,465.00 initial fee plus \$5,860.00 for years 2-5 for each additional synthesized voice file language.
Licensing and Support for Election Management and Ballot Definition Software – Years 1-5 and billed with hardware	Initial annual fee included in Election Management and Ballot Definition Software cost above. \$61,580.00 for years 2-5.
Server for Election Management and Tabulation Systems (for purposes of creating standalone network of workstations) - <b>Hardware Configurations below are applicable to ES&amp;S Software Version EVS 6000</b>	
Dell Poweredge T430	\$8,446.00
Dell E2216H 21.5" Wide LED LCD VGA DP Monitor	\$214.00
6' VGA M/M Monitor Cable	\$8.00
Symantec Endpoint Protection 14.0.1	\$27.00
Symantec 14.0.1 Maintenance/Support	\$60.00
Uninterruptible Power Supply (UPS) Battery Backup, 1500 VA	\$264.00
D-Link 8-Port Desktop Switch	\$63.00
Workstation/Server for Election Management and Ballot Definition Software - <b>Hardware Configurations below are applicable to ES&amp;S Software Version EVS 6000</b>	
Dell Optiplex 5050 Mini (Desktop)	\$1,620.00
Uninterruptible Power Supply (UPS) Battery Backup 850VA	\$147.00
Symantec Endpoint Protection 14.0.1	\$27.00
Symantec 14.0.1 Maintenance/Support	\$60.00
Adobe Acrobat Standard XI	\$412.00
OKI B432DN Mono Laser Duplex Printer	\$416.00
LD 6' USB 2.0 A-B Cable	\$4.00
Tabulation Software	Tabulation results software module included in Election Management and Ballot Definition Software cost above
Licensing and Support for Tabulation Software – Years 1-5 and billed with hardware	Tabulation results software module included in Licensing and Support for Election Management and Ballot Definition Software – Years 1-5 cost above

Workstation/Server for Tabulation Software	See Workstations and Servers for Election Management and Ballot Definition Software costs above
Ballot Printer <b>C711 OkiData Compact Printer with Five (5) Year Hardware Warranty</b>	\$3,795.00
Software for Ballot Printer <b>Balotar Software with MRS and SRS Capability (One (1) License Required Per Laptop)</b>	\$2,845.00
Workstation for Ballot Printer Software (i.e., laptop/desktop, monitor, etc.) <b>Ballot On Demand Laptop</b>	\$1,320.00
Licensing and Support for Software for Ballot Printer – Years 1-5 and billed with hardware	Initial license fee included in Software for Ballot Printer cost above. \$7,380.00 total for years 2-5.
Starter Cartridges for Ballot Printer – for initial use	Included in Ballot Printer cost above
Warranty on Any and All Hardware – Years 1-5 and billed with hardware	Included in all hardware costs above and in all hardware costs listed in Other Items below
Delivery, Shipping of Equipment to Board of Elections' Office or Facility	\$750.00 Per DS450
<b>Note: Shipping costs listed are rates for shipping one (1) unit. A reduction in shipping costs may be available depending on the quantities purchased by a county. Please contact your ES&amp;S Sales Representative for truckload shipping rates.</b>	\$115.00 Per ExpressVote Tabulator
Voting System Deployment (e.g., software installation and configuration, acceptance testing, etc.)	\$1,925.00 for first DS450 purchased by a county
	\$1,000.00 for each additional DS450 purchased by a county
	\$135.00 Per ExpressVote Tabulator
	\$400.00 Per C711 OkiData Compact Printer
	\$1,300.00 Per Day for Off-Site Workstation and/or Server Installation
	\$2,300.00 Per Day for On-Site Workstation and/or Server Installation
Setup of Equipment at Board of Elections' Office	\$1,700.00 Per Day
Logic and Accuracy Testing Prior to First Election	\$1,700.00 Per Day
<b>TOTAL one (1) each of all State-Funded Items</b>	\$178,641.00
<b>Note: This "Total" line for Table A is included merely to have a total value for quantity (1) of each item listed above. Actual total for State-Funded Items will be determined based upon County needs.</b>	

TABLE A: State-Funded Items - Other

Item	Unit Cost
High-Speed Scanner (for Central Count of Absentee Ballots) <b>DS850 Central Scanner - Hardware Version 1.0/Firmware Version 3.1.0.0</b> <b>Includes Scanner, Steel Table/Cart, Start-up Kit, Dust Cover, Reports Printer, Audit Printer, Battery Backup, Two (2) USB Cables, Three (3) Standard 8GB Memory Devices, and Five (5) Year Hardware Warranty with Biennial Maintenance</b>	\$108,270.00
Licensing and Support for Software for High-Speed Scanner – Years 1-5 and billed with hardware <b>DS850 Firmware License</b>	Initial license fee included in High-Speed Scanner cost above. \$6,300.00 total for years 2-5.
Voting System Deployment (e.g., software installation and configuration, acceptance testing, etc.) <b>DS850</b>	\$1,925.00 for first DS850 purchased by a county \$1,000.00 for each additional DS850 purchased by a county
Delivery, Shipping of Equipment to Board of Elections' Office or Facility  <b>Note: Shipping costs listed are rates for shipping one (1) unit. A reduction in shipping costs may be available depending on the quantities purchased by a county. Please contact your ES&amp;S Sales Representative for truckload shipping rates.</b>	\$750.00 Per DS850
Precinct-Based Voting Equipment (i.e., Precinct-Count Optical Scanners, Marking Devices/Touchscreen Interfaces for Hybrid Units, Direct Recording Electronic Units [DREs]) <b>ExpressVote Tabulator without Hub or Printer - Hardware Version 2.1/Firmware Version 2.4.0.0</b> <b>Includes Tabulator Terminal, Internal Backup Battery, Rolling Kiosk with Card Bin, ADA Keypad, Headphones, One (1) Standard 4GB Memory Device and Five (5) Year Hardware Warranty</b>	\$3,955.00
Precinct-Based Voting Equipment (i.e., Precinct-Count Optical Scanners, Marking Devices/Touchscreen Interfaces for Hybrid Units, Direct Recording Electronic Units [DREs]) <b>ExpressVote Tabulator with Hub and Barcode Scanner - Hardware Version 2.1/Firmware Version 2.4.0.0</b> <b>Includes Tabulator Terminal, Internal Backup Battery, Rolling Kiosk with Card Bin, Hub with Barcode Scanner, ADA Keypad, Headphones, One (1) Standard 4GB Memory Device and Five (5) Year Hardware Warranty</b>	\$4,659.00
Precinct-Based Voting Equipment (i.e., Precinct-Count Optical Scanners, Marking Devices/Touchscreen Interfaces for Hybrid Units, Direct Recording Electronic Units [DREs]) <b>ExpressVote Tabulator with Hub, Printer and Barcode Scanner - Hardware Version 2.1/Firmware Version 2.4.0.0</b> <b>Includes Tabulator Terminal, Internal Backup Battery, Rolling Kiosk with Card Bin, Hub with Reports Printer and Barcode Scanner, Paper Roll, ADA Keypad, Headphones, One (1) Standard 4GB Memory Device and Five (5) Year Hardware Warranty</b>	\$4,923.00
Licensing and Support for Software for Precinct-Based Equipment – Years 1-5 and billed with hardware <b>ExpressVote Tabulator Firmware License</b>	Initial license fee included in Precinct-Based Voting Equipment cost above. \$260.00 total for years 2-5.
Voting System Deployment (e.g., software installation and configuration, acceptance testing, etc.)	\$135.00 Per ExpressVote Tabulator
Delivery, Shipping of Equipment to Board of Elections' Office or Facility  <b>Note: Shipping costs listed are rates for shipping one (1) unit. A reduction in shipping costs may be available depending on the quantities purchased by a county. Please contact your ES&amp;S Sales Representative for truckload shipping rates.</b>	\$115.00 Per ExpressVote Tabulator
Additional Standard 4GB Memory Devices	\$105.00
Additional Standard 8GB Memory Devices	\$210.00
Cerberus FTP Pro 9.0.3.1 License (For Networking multiple DS450 or DS850's)	\$799.00
Dell Optiplex 5050 Mini (Desktop) with 32" Monitor	\$2,100.00

TABLE B: Non-State-Funded Items

Item	Unit Cost
Transport Bags or Cases for Accessible Equipment - ADA	Not applicable
Licensing and Support for Software for High-Speed Scanner - Extended - Years 6-10 <b>DS450 or DS850 Firmware Total Per Unit for Years 6-10</b>	\$8,740.00
Additional Toner, Ink, Cartridges for High-Speed Scanner - <b>Note: Costs do not include shipping &amp; handling which will be billed separately.</b>	\$125.75 - OkiData B432DN Toner
	\$15.00 - OkiData ML420 Printer Ribbon
Licensing and Support for Software for Precinct-Based Equipment - Extended - Years 6-10 <b>ExpressVote Tabulator Firmware Total Per Unit for Years 6-10</b>	\$360.00
Ballot Box or Bag for Precinct-Based Equipment	Ballot Bin included in ExpressVote Tabulator cost listed above in Table A
Transport Bag or Case for Precinct-Based Equipment	Not applicable
Additional Consumables for Initial Use of Precinct-Based Voting Equipment (e.g., paper ballots, rolls, or cards, etc.) - <b>Note: Costs do not include shipping &amp; handling which will be billed separately.</b>	\$1.85 for additional DS200 Paper Rolls
	\$23.30 for Blank ExpressVote Ballot Card Stock without Stubs - 11" (250 per pkg)
	\$24.60 for Blank ExpressVote Ballot Card Stock without Stubs - 14" (250 per pkg)
	\$27.15 for Blank ExpressVote Ballot Card Stock without Stubs - 17" (250 per pkg)
	\$31.05 for Blank ExpressVote Ballot Card Stock without Stubs - 19" (250 per pkg)
	\$0.10 per sheet for Ballot On Demand Blank Ballot Stock
Licensing and Support for Software for Accessible Ballot Marking Device - ADA - Extended - Years 6-10	See Licensing and Support for Software for Precinct-Based Equipment - Extended - Years 6-10 above
Licensing and Support for Election Management and Ballot Definition Software - Extended - Years 6-10 <b>ElectionWare PYO Standard (Base Package with English Language Synthesized Voice Files) - EVS 6000 - Total for Years 6-10</b>	\$96,125.00
Licensing and Support for Tabulation Software - Extended - Years 6-10	Tabulation results module included in Licensing and Support for Election Management and Ballot Definition Software - Extended - Years 6-10 above
Licensing and Support for Software for Ballot Printer - Extended - Years 6-10 <b>Balotar Software with MRS and SRS Capabilities - Total for Years 6-10</b>	\$11,520.00
Warranty on Any and All Hardware - Years 6-10 <b>ExpressVote Tabulator Extended Warranty - Total Per Unit for Years 6-10</b>	\$555.00
Maintenance on Any and All Hardware unless specified in above table - Years 1-5	See Preventative Maintenance on Hardware costs below
Maintenance on Any and All Hardware - Years 6-10	See Preventative Maintenance on Hardware costs below

Preventative Maintenance on Hardware (e.g., cleaning, lubrication, replacement of parts, labor, etc.) unless specified in above table - Years 1-5	
<b>Extended Warranty with Biennial Maintenance Years 1-5 - Additional Fee</b>	
<b>DS450 Extended Warranty With Biennial Maintenance - Total Per Unit for Years 1-5</b>	Included in equipment price listed in Table A
<b>DS850 Extended Warranty With Biennial Maintenance - Total Per Unit for Years 1-5</b>	Included in equipment price listed in Table A
<b>ExpressVote Tabulator Extended Warranty with Biennial Maintenance - Total Per Unit for Years 1-5</b>	\$370.00
<b>Extended Warranty with Annual Maintenance Years 1-5 - Additional Fee</b>	
<b>DS450 Extended Warranty With Annual Maintenance - Total Per Unit for Years 1-5</b>	\$3,340.00
<b>DS850 Extended Warranty With Annual Maintenance - Total Per Unit for Years 1-5</b>	\$5,880.00
<b>ExpressVote Tabulator Extended Warranty with Annual Maintenance - Total Per Unit for Years 1-5</b>	\$440.00
Preventative Maintenance on Hardware (e.g., cleaning, lubrication, replacement of parts, labor, etc.) - Years 6- 10	
<b>Extended Warranty with Biennial Maintenance Years 6-10</b>	
<b>DS450 Extended Warranty With Biennial Maintenance - Total Per Unit for Years 6-10</b>	\$10,520.00
<b>DS850 Extended Warranty With Biennial Maintenance - Total Per Unit for Years 6-10</b>	\$14,015.00
<b>ExpressVote Tabulator Extended Warranty with Biennial Maintenance - Total Per Unit for Years 6-10</b>	\$650.00
<b>Extended Warranty with Annual Maintenance Years 6-10</b>	
<b>DS450 Extended Warranty With Annual Maintenance - Total Per Unit for Years 6-10</b>	\$15,150.00
<b>DS850 Extended Warranty With Annual Maintenance - Total Per Unit for Years 6-10</b>	\$22,175.00
<b>ExpressVote Tabulator Extended Warranty with Annual Maintenance - Total Per Unit for Years 6-10</b>	\$750.00
Phone Support (i.e., a board of elections may contact a designated individual or Helpdesk for assistance with troubleshooting issues)	Included with Licensing and Support costs
Online Support (i.e., a board of elections may submit issues via an online portal hosted by the voting system's vendor)	Included with Licensing and Support costs
On-Site Repairs to Hardware (as opposed to having to ship equipment off-site)	Included with Biennial and Annual maintenance plans. Otherwise, time and materials rates will apply.
Software Upgrades	Included with Licensing and Support costs, subject to ES&S Licensing and Maintenance provisions
Pre-Election Support (e.g., setup of election management software; pre-election programming and setup of ballots; configuration of reports, etc.)	\$1,850.00 per day. Day is defined as one (1) ES&S employee for a minimum of four (4) hours and maximum of twelve (12) hours on any one (1) calendar day.
Creation of Test Deck (for pre-election testing)	Automated Test Deck included in Election Management and Ballot Definition Software cost
Cost of Printing Test Deck (per sheet using ballot printer system)	\$350.00 per election set-up; \$0.10 per blank ballot stock sheet plus shipping & handling; \$0.35 per ballot sheet processed by the ballot printer for Black & White ballots.
Cost of Printing Test Deck (per sheet using print vendor)	Per Quote
Setup, Configuration, and Printing Fees for Ballot Stub Barcode	Per Quote
Pre-Election Setup for Ballot Printer System	<b>If Off-Site setup is chosen by customer:</b> - \$350.00 per election set-up + \$1.00 per unique PDF (up to 4 computers) plus - \$40.00 per computer over 4 computers  <b>Rework of set up due to customer changes after initial set up is complete:</b> - \$175.00 per change event - \$40.00 per computer over 4 units  <b>If Off-Site setup is not chosen by Customer,</b> there will be an On-Site setup fee charged of \$1,850.00 per person per day.
Ballot Processing Fees (per sheet or per ballot style) for Ballot Printer System	\$0.35 for black and white ballot \$0.45 for color ballot \$0.10 per sheet for blank ballot stock, plus shipping & handling

Assistance with Deployment of Equipment to Polling Locations	Not available
Training of Board of Elections' Staff	\$1,850.00 per day, per class. Class size limited to 10 participants for software training and 20 people for equipment training.
Training Materials for Precinct Election Officials	Standard materials included in training fees.
Training of Precinct Election Officials	\$1,850.00 per day, per class. Class size limited to 10 participants for software training and 20 people for equipment training.
Training Videos for Precinct Election Officials	Per Quote
Demonstration Videos for Voters	Per Quote
Project Management (i.e., project plan and work schedule for deployment; issue identification and resolution; performance measurement against project plan; risk management strategy; quality management plan; resource allocation plan; configuration management plan; and issue management)	\$1,850.00 per day. Day is defined as one (1) ES&S employee for a minimum of four (4) hours and maximum of twelve (12) hours on any one (1) calendar day.
Election Day Support (e.g., phone support; dispatch and onsite incident resolution, etc.)	\$1,850.00 per day or, \$4,675.00 for a three day site support event.
Election Night Support (e.g., on-site or remote assistance with tabulation and results reporting, etc.)	
Post-Election Support (e.g., on-site or remote assistance with official canvass of election, etc.)	

TABLE B: Non-State-Funded Items - Other

Item	Unit Cost
Voice Synthesis Software, If Priced Separately (For Creation of Audio Ballot for Sight-Limited Voters) - Years 6-10	Synthesized English language included in Election Management and Ballot Definition Software costs above.
<b>Total for Years 6-10 Per Additional Language</b>	<b>\$9,145.00 total for years 6-10 for each additional synthesized voice file language.</b>
ExpressVote Activation Card Printer	\$725.00
BOD Printer On-Site Maintenance	\$1,850.00 Per Day
Performance Bond	Per Quote

**Note: Costs under "TABLE B: Non-State Funded Items - Other" do not include shipping & handling which will be billed separately.**

Vendor: Election Systems & Software, LLC

Solution Description (Optical Scan, DRE, Hybrid, etc.):DS450, DS200, and ExpressVote Ballot Marking Device for ADA Voters

In the tables below, the bidder is to enter the itemized list for each county example (A-C) to purchase a voting machine solution based on the following criteria, as well as provide pricing in the tables below county examples:

**Example A\*:**

- Fewer than 19,999 registered voters
- 1 in-person absentee voters
- 13 to 39 precincts voting location

The list is to include all required hardware, software, warranties (covering the life expectancy of the solution), training, etc., costs for the solution as defined in this ITB. The pricing provided on this page must be the same as the pricing on the complete pricelist provided as part of this ITB submission.

Item	Quantity	Unit Cost	Extended Cost
High-Speed Scanner (for Central Count of Absentee Ballots)  DS450 Central Scanner - Hardware Version 1.0/Firmware Version 3.1.0.0  Includes Scanner, Steel Table/Cart, Start-up Kit, Dust Cover, Reports Printer, Audit Printer, Battery Backup, Two (2) USB Cables, Two (2) Standard 8GB Memory Devices and Five (5) Year Hardware Warranty with Biennial Maintenance	1	\$44,925.00	\$44,925.00
Licensing and Support for Software for High-Speed Scanner – Years 1-5 and billed with hardware  DS450 Firmware License	1	\$6,300.00	\$6,300.00
Precinct-Based Voting Equipment (i.e., Precinct-Count Optical Scanners, Marking Devices/Touchscreen Interfaces for Hybrid Units, Direct Recording Electronic Units [DREs])  DS200 Precinct Scanner with Plastic Ballot Box - Hardware Version 1.3/Firmware Version 2.17.0.0  Includes Scanner, Internal Backup Battery, Plastic Ballot Box with Steel Door and e-Bin, Paper Roll, One (1) Standard 4GB Memory Device, and Five (5) Year Hardware Warranty	13	\$4,670.00	\$60,710.00
Licensing and Support for Software for Precinct-Based Equipment – Years 1-5 and billed with hardware  DS200 Firmware License	13	\$320.00	\$4,160.00
Accessible Ballot Marking Device - ADA  ExpressVote Ballot Marking Device - Hardware Version 2.1/Firmware Version 2.4.0.0  Includes Terminal, Soft-Sided Case, Internal Backup Battery, ADA Keypad, Headphones, One (1) Standard 4GB Memory Device, and Five (5) Year Hardware Warranty	14	\$2,864.00	\$40,096.00

Vendor: Election Systems & Software, LLC

Solution Description (Optical Scan, DRE, Hybrid, etc.): DS450, DS200, and ExpressVote Ballot Marking Device for All Voters

In the tables below, the bidder is to enter the itemized list for each county example (A-C) to purchase a voting machine solution based on the following criteria, as well as provide pricing in the tables below county examples:

**Example A\*:**

- Fewer than 19,999 registered voters
- 1 in-person absentee voter
- 13 to 39 precincts

The list is to include all required hardware, software, warranties (covering the life expectancy of the solution), training, etc., costs for the solution as defined in this ITB. The pricing provided on this page must be the same as the pricing on the complete pricelist provided as part of this ITB submission.

Item	Quantity	Unit Cost	Extended Cost
High-Speed Scanner (for Central Count of Absentee Ballots)  DS450 Central Scanner - Hardware Version 1.0/Firmware Version 3.1.0.0  Includes Scanner, Steel Table/Cart, Start-up Kit, Dust Cover, Reports Printer, Audit Printer, Battery Backup, Two (2) USB Cables, Two (2) Standard 8GB Memory Devices and Five (5) Year Hardware Warranty with Biennial Maintenance	1	\$44,925.00	\$44,925.00

Vendor: Election Systems & Software, LLC

Solution Description (Optical Scan, DRE, Hybrid, etc.):DS450 and ExpressVote Tabulator

In the tables below, the bidder is to enter the itemized list for each county example (A-C) to purchase a voting machine solution based on the following criteria, as well as provide pricing in the tables below county examples:

**Example C\*:**

- 100,000 or more registered voters
- 1 in-person absentee voting location
- Between 99 and 975 precincts

The list is to include all required hardware, software, warranties (covering the life expectancy of the solution), training, etc., costs for the solution as defined in this ITB. The pricing provided on this page must be the same as the pricing on the complete pricelist provided as part of this ITB submission.

Item	Quantity	Unit Cost	Extended Cost
